

Are you an African-American providing kinship care to a child?

We are recruiting for a research study:

Family's Impact on the Development of African American Children in Kinship Care

Purpose: The purpose of this study is to learn more about African-American kinship care families (e.g., grandparents raising grandchildren), and their strengths and resources that promote children's social, academic, and behavioral outcomes

Must be:

- ✓ African-American
- ✓ Over 18
- ✓ Taking care of a related child ages 5-12 (e.g., Grandparent, Aunt/Uncle, Sibling)
- ✓ Taking care of a child ages 5-12 (e.g., Godparent, church member, etc...)

Participants will be asked to:

- ❖ Take part in an interview about child's behaviors, health, and family
- ❖ Total time is 60-120 minutes
- ❖ Participants will be compensated with **\$50** cash

If interested, contact Dr. Tyreasa Washington at 336-256-8594 and nc.kinship.study@gmail.com This study is being conducted by UNC-Greensboro.
