Courses in italics are MAC & SWK Cognate courses, which must be taken by the spring semester Junior year.

UNIVERSITY OF NORTH CAROLINA AT GREENSBORO - DEPARTMENT OF SOCIAL WORK
60+ Hour Transfer Student Bachelor of Social Work
Suggested Educational Plan (updated Fall 2025)

When transferring to the BSW program, it is recommended that incoming students meet with the Director of Undergraduate Studies as soon as possible to create a plan of study for the BSW Degree based on the student's individual and unique experience.

SWK 215 Introduction to Social Work Entry Course

To begin Fall SWK 300-level courses (typically started in the third year of the program), BSW students must first have taken SWK 215 and passed with a C or higher, and all MAC (General Education) courses should be completed. Many transfer students will take SWK 215 Introduction to Social Work as visiting students or consortium students before starting the BSW program in the Fall. Newly admitted transfer students for the Fall semester who need SWK 215 to start their SWK 300-level courses can request from the [UNCG Admissions Office](#) to have their Admissions Date moved back to the summer session and register to take SWK 215 during the summer so the SWK 300-level courses can be started in the Fall semester. Students can take Introduction to Social Work from another [Council on Social Work Education-accredited program](#) and transfer the course to UNCG. Please consult with the Director of Undergraduate Studies before you take the course at another CSWE-accredited program to ensure that it will transfer to UNCG.

If 60+ credit hours are transferred and/or an Associate of Arts Degree, below is an example of what a possible Plan of Study may be. There may be MAC courses or SWK Cognate Courses that were not completed or transferred over, and therefore, the student will have to make a plan to complete all additional MAC or SWK Cognate courses to be able to graduate with the BSW.

Suggested Educational Plan for Transfer AA or 60+ credit hour Students

SWK 215 must be completed before the Fall SWK 300 level courses can be started. SWK 215 can be completed prior to starting at UNCG as a visiting student or consortium student; during UNCG's summer session; or at another CSWE-accredited program and transferred into UNCG.
